DECLARATION UNDER RULE 132

To Honorable Commissioner of Patents and Trademarks  
Washington, D.C.

Sir :

I, Guillaume RIBADEAU-DUMAS, 18 rue Claude Monet,  
59237 Verlinghem, France, do solemnly declare :

THAT I have been working with the firm ROQUETTE  
FRERES since December 1992 and that I held the position  
of Food Applications Department Manager since January  
2001;

THAT I am a named inventor of the present patent  
application n° 09/305,178 and that I am fully familiar  
therewith ;

THAT I have read and understood the Office Action  
of March 28, 2003 in connection with the present patent  
application ;

THAT, the experiments described in the attached  
test report were carried out under my supervision;

THAT, in Yatka, maltitol, xylitol and sorbitol are  
used in boiled sugar,

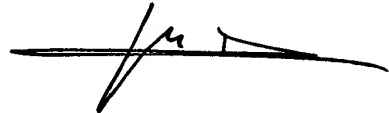

THAT, among these polyols, sorbitol is the most  
soluble;

THAT, stable boiled sugar cannot be obtained with  
sorbitol alone (see photograph A);

THAT, stable boiled sugars cannot be obtained with sorbitol and a dextrin since they drastically flow when stored (see photographs B and C).

I, the undersigned, declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and, further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001, of Title 18, of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
